

# Table Format is not Saved in Content Editor if the Table Outside Text is Deleted

## Article Number

000090326

---

## Description

In Ultra content editor, when manipulating text outside of a table inserted, it causes the table format to get disorganized.

---

## Steps to Replicate

1. Log into **Blackboard Learn Ultra Experience** as an administrator
2. Navigate to **System Admin > Courses > Create an Ultra Course**
3. Create an assignment
4. Add a table of any size into the content editor and add text inside the table
5. Navigate to the top left side of the table
6. Write text outside the table
7. Delete all text outside
8. Click on **Submit** and close the assignment
9. Access the assignment again

## Observed Behavior:

The table formatting is not preserved after closing the assignment.

## Expected Behavior:

The table formatting is preserved after closing the assignment.

---

## Summary

Table Format is not Saved in Content Editor if the Table Outside Text is Deleted
