

Collections Overview (For Learners)

Article Number
000088897

Information

The screenshot shows a user interface for 'Collections Overview'. At the top, there is a navigation bar with tabs: HOME, WORK, BADGES, SKILLS, COLLECTIONS (highlighted in pink), GOALS, and JOBS. Below the navigation bar, there is a 'My Portfolio' button and a notification 'Work/Badges Awaiting Coll'. A circular profile picture of Phil Dorrington is on the left. To the right of the profile picture are three circular counters: '3' under 'WORK', '3' under 'BADGES', and '16' under 'SKILLS'. Below these counters are three tabs: 'WORK' (highlighted with an orange underline), 'BADGES', and 'SKILLS'. The main content area displays two work samples. The first is 'Work Sample 1' with a document icon and an 'Edit Work' button. The second is 'Evidence Sample 1' with a document icon and an 'Edit Work' button. Both samples have a heart icon and a speech bubble icon indicating likes and comments.

The Collections page allows users to view all of the work, badges, and skills that have been added to their portfolio within Achievement Studio. On the **Work** tab, users can upload **new work samples** to provide evidence towards badge and skill progression.
