

# Multiple Choice Changes to Multiple Answers When Importing Common Cartridge into Original From Ultra

## Article Number

000078341

---

## Description

Ultra courses with question banks holding multiple choice questions that are exported using the Common Cartridge option and then imported into an Original course show the questions as multiple-answer types.

---

## Document Type

Known Issue

---

## Information

This is not a bug.

---

## KB Product

Learn SaaS

---

## Last Modified Date

Fri Jun 06 15:57:33 GMT 2025

---

## Release (General)

9.1;SaaS

---

## Service Packs

Learn 3900.82.0;Learn 3900.84.0;Learn 3900.86.0;Learn 3900.89.0

---

## Steps to Replicate

1. Log into **Blackboard Learn** as an administrator
2. Navigate to **System Admin**
3. Create an Ultra course and an Original course
4. Create a question bank with two Multiple Choice questions in the Ultra course
5. Export the course using the **Common Cartridge** option (version 1.1) into the Original course
6. Import the package
7. Go into **Pools** and check on the question type for the imported question bank from the Ultra course

## Observed Behavior:

The question bank shows Multiple Answer questions.

## Expected Behavior:

The question bank shows Multiple-choice questions.
